Does the company publish a statement of values or principles representing high standards of business conduct, including honesty, trust, transparency, openness, integrity and accountability?

Score:

1

Comments:

Based on public information, there is evidence that the company publishes a list of values on its website, which includes integrity and reliability. Under the heading, Code of Ethics, the website also refers to corporate values, business ethics, transparency, and accountability. The Human Resources section of the website mentions loyalty to corporate values and high ethical standards. However, there is no further information outlining what these values mean, why they matter to the organisation, or how they are translated into company policies and codes. The company therefore scores 1.
